

## Principal's Welcome

Welcome to the Melbourne School of Theology.

If God is moving in your life and you are seeking to be further equipped with real Biblical depth, a living transformational theology and a mission mindset, so you can help communicate the Gospel to our changing world and be increasingly fruitful in your ministry, wherever it is, then MST provides the mind-stretching, heart-warming and life-changing theological training you need.

MST is one of Australia's most established cross-denominational theological colleges, drawing on a rich 90 year heritage as Melbourne Bible Institute and later Bible College of Victoria, faithfully teaching the Bible, missiology and theology, equipping men and women for ministry and global missions.

Our new modern campus in Wantirna is located at the intersection of Eastlink, Burwood and Mountain Hwys, making it highly accessible from any part of Melbourne, a short 15 min drive from Blackburn or Boronia, Doncaster or Dandenong, Frankston or Ferntree Gully.

MST's courses are up to date, relevant and diverse. Every program combines deepening knowledge, personal development and practical living and ministry. We are one of very few colleges offering training across the entire spectrum of tertiary courses, from Cert IV in Ministry to degrees and post graduate research, and in a variety of study modes to match different starting points and goals.

MST's resources and facilities support quality learning for full time, part time, or online distance students.

If you are thinking of studying in 2012, and have particular questions about study pathways for your journey ahead, or would simply love a personal tour of the campus, please contact us today on 9881 7800.
