## SECTION 3: STUDENT FEE POLICY

1. Continuing full-time and part-time students must meet all outstanding fee payments from previous semesters prior to the commencement of each semester, otherwise enrolment will not be accepted unless a suitable scheme of payment through automatic bank transfer or credit card is proposed in writing and approved by the Vice Principal (Community and Operations).
2. All full-time students will be required to establish a method of payment of semester tuition fees during the first week of each semester.

Payment options are:-

- Payment of all fees in advance,
  - Upfront (deposit) payment of \$300 payable on enrolment day and sign an authority for automatic bank transfer or credit card payments so that all fees will be fully paid no later than one week prior to examination date for the semester,
3. Students unable to pay fees as they fall due will be required to make adjustments to their study load and secure income to cover their fees or discontinue their studies until such time as adequate financial arrangements can be made.
  4. Where there is likely to be a difficulty in meeting financial obligations in regard to student fees, students should confer with the Accountant as soon as possible.
  5. Refund of tuition fees for students withdrawing from or adding a subject or course during the semester will be made as follows -
    - a. Up to 2 weeks after the first lecture - a full refund will be given.
    - b. Subjects may be added only up to 1 week after the first lecture.
    - c. After 2 weeks from the first lecture and up to the census date a full refund will be given, BUT a penalty of \$350 applies per 4cp subject and pro-rata for all others.

- d. After the census date, no refund will be given except on written application to the Principal or Dean of Studies on compassionate grounds. A partial refund may be given. No penalty will be applied.
8. Students are required to pay all outstanding fees prior to the examination date of each semester. If a student is unable to clear outstanding fees by this date, the Principal may give permission to graduate if -
    - a. The student signs a letter acknowledging the fee debt as a priority financial commitment to the College, and
    - b. The student will receive the award of the College when the outstanding fees are fully paid, and
    - c. The student agrees that any externally awarded Diploma or Degree testamurs be held by the College until the outstanding fees are fully paid.
